

Oasis TEARS® PF

PRESERVATIVE-FREE LUBRICANT EYE DROPS

Two technologies have come together for a greater purpose,
and a sigh of relief can be heard in the dry eye community.

Oasis TEARS® PRESERVATIVE-FREE
DRY EYE RELIEF, now in a bottle.

Preservative-free lubricant eye drop designed to:

- ▶ Relieve burning due to dryness of the eye
- ▶ Relieve discomfort due to exposure to wind or sun
- ▶ Prevent and protect against further irritation

More than expected

OASIS® is dedicated to equipping eye care providers with effective solutions to ensure quality patient care, improve practice management, and support practice growth.

OASIS® 

Oasis TEARS® PF PRESERVATIVE-FREE LUBRICANT EYE DROPS

are packaged in an innovative ophthalmic multi-use bottle that prevents contamination through the use of a patented closing tip, valve and air venting system that prevents microbial entry into the bottle. This proprietary system keeps Oasis TEARS® PF sterile for at least 90 days after opening.

OASIS® Medical is bringing Oasis TEARS® PF Preservative-Free bottle to eye care providers nationwide. At OASIS we continue our tradition of partnering with eye care providers to bring the highest level of patient care and practice support.

Ophthalmic and optometric practices that are interested in offering Oasis TEARS® to dry eye patients can contact:
